

Have You Heard?

by Dorothy McCain Eلسenius

Poor Terry Turner, who was scheduled for possible stardom as the lead in Albany High's production of "South Pacific" . . . instead of applause, all she is getting are "ge-well" wishes, as she recuperates from an emergency appendectomy.

The role of Nellie Forbush has been taken over by Mary Thomas, Albany High School senior, who had the lead in last year's "Oklahoma" production. Mary was a member of this year's chorus, and although she had a working knowledge of the show, she really had to cram to be ready for opening night. . . . The show must go on!

Two Albany sisters became grandmothers within three days of each other earlier this month, when Karen Claudette de Giere was born on March 3, to Mr. and Mrs. Greg de Giere of Davis; and Michelle Neill was born to Mr. and Mrs. Mike Neill of Susanville, March 6. Proud grandparents are Mr. and Mrs. Roy de Giere and Mr. and Mrs. Joe Neill. Congratulations to one and all!

Todd S. Anderson, son of Mr. and Mrs. Scott Anderson, 651 The Alameda, Berkeley, has earned placement on the Dean's List for the fall semester, at Berklee College of Music in Boston, Mass.

Todd, a senior, is majoring in composition, and upon graduation will be qualified for a career as a teacher, arranger, composer and instrumentalist.

And another Berkeley boy, but formerly an Albany boy, made the Captain's List at Saufley Field Naval Air Station at Pensacola. Timothy E. Hemp, son of the Kenneth Hemps who lived at 1056 Talbot Ave. for many years, maintained an outstanding scholastic average during his six

STILL SMILING, in spite of her handicap, 13-year-old Mignon Moyer shows the pleasant disposition which earned her the title of the "bravest patient" in Rancho Los Amigos Hospital. She will remain in the Southern California hospital for an indefinite period, as she is paralyzed completely and cannot breathe without aid from respiratory equipment.

Benefit For 'Bravest Patient'

A benefit buffet dinner and dance will be held Friday evening, March 17, at St. David's Hall, 871 Sonoma Ave., Richmond, for someone the doctors and nurses at Los Amigos Hospital in Southern California call their "bravest patient."

The patient is 13-year-old Mignon Moyer of El Sobrante, who is paralyzed completely, from the neck down, and cannot breathe without the aid of respiratory equipment, as the result of an auto-bicycle accident on San Pablo Dam Road last November.

Rancho Los Amigos doctors have informed her family that she will never regain the use of her extremities or be able to breathe again without the aid of mechanical devices. The eighth grade pupil at St. Paul's Parochial School was also studying dancing under the direction of Mrs. R. J. Zurfluh of Berkeley, and had hoped for a career in ballet.

Crippled Children's Society made it possible for Mignon to be transferred from Brookside Hospital in San Pablo to Rancho Los Angeles in Downey, so she could receive much-needed specialized intensive therapy treatment.

Her father, Kenneth C. Moyer, said that before she returns to her El Sobrante home extensive modifications must be made in order to accommodate the equipment she needs to sustain her life. The Moyers are also the parents of five other children.

The March 17 buffet will be held from 6 to 8 p.m.; dancing from 9 p.m. to 1 a.m. will follow. Tickets, available at the door, will be \$5 per couple. Tickets, reservations and further information may be obtained by calling Mrs. Edith Bill, 232-1435.

Those Little League sponsors who have not renewed their sponsorship for this year are urged to do so as soon as possible. Many of the players do not have sponsors, as yet, and will not be able to play until they are sponsored. Sponsors should send their remittances to Albany Little League, P.O. Box 6003, Albany 94706. Albany Waterfront Meeting March 23

The public will be given an opportunity to comment on Albany waterfront improvements at a meeting scheduled to be held March 23, at 7:30 p.m. in the Albany City Council Chambers.

The main purpose of the meet-

ing, to be held by the staff of the State Lands Division, is to gather information regarding substantial improvement of the tide and submerged lands granted to the City by the State Legislature in 1961. The granted area includes the present sanitary land-fill operations adjacent to the Golden Gate Fields racetrack.

The tidelands were granted to the City to be developed for fishing, bathing, boat harbors, airports, public buildings, and aquaparks. The grant provided the City a period of 10 years to enhance these uses. If not improved, the grant will be terminated and the area will revert to State ownership.

The State Lands Division began conducting their investigation on January 31. The Division will collect and compare data showing improvements over the 10-year period, review statements by the City and members of the public, and finally make a recommendation to the State Lands Commission regarding compliance with the substantial improvement provisions of the statute.

'Pop Warner' Ball In Albany?

A group of interested persons, under the leadership of Bill Nash, head football coach at Albany High School, have held their first meeting to discuss the formation of a Pop Warner League for Albany, and have scheduled another meeting for next week.

The general objective of Pop Warner Junior League Football is to inspire youth, regardless of race, creed or national origin, to practice the ideals of sportsmanship, scholarship and physical fitness, as reflected in the life of the late Glen Scobie "Pop" Warner.

The specific objectives of the program are to familiarize all boys with the fundamentals of football, to provide an opportunity to play the game in a supervised, organized and safety-oriented manner, and to keep the welfare of participants free of any adult ambition and personal glory.

Teams will be composed primarily of 7th and 8th grade Albany boys, from 12 to 14 years of age, weighing between 100 and 135 pounds. Teams will practice during the week and play their games on Saturday and Sunday at Cougar Field. A normal season consists of an 8-game schedule, preceded by a month of practice and conditioning.

Teams the Albany group would be playing against include the El Cerrito Bengals, Richmond Falcons, Pinole Jr. Spartans, El Sobrante Titans and the Crockett Papooses.

Among the Albany residents who have already committed their help to Coach Nash are Fern Luoma, Wally Flores, Len Patterson and Ken Ridley.

Any adult who is interested in helping organize a Pop Warner League for Albany is invited to attend the next meeting, which will take place on Wednesday, Mar. 22, at 7:30 p.m. at Albany High School.

Short Meeting

Two resolutions were introduced and adopted by the City Council at Monday night's short business meeting; one was commending the Albany Fire Dept., Capt. Oakley, and the Police Dept. for their assistance in the Feb. 29 fire in University Village. The second called for providing and giving notice of the general municipal election on April 11.

Several letters, opposing the increasing of the Marin Ave. speed limit were referred to the City Attorney and the Police Chief, to be considered in their study of the situation.

A communication from E. J. Rooney, Superintendent of the Parks and Recreation Dept. notified the Council that a public hearing date of March 29 had been set for the purpose of presenting and discussing the General Plan for Albany Parks and Recreation. The meeting will convene in the Council chambers at 7:30 p.m.

In other action, a communication from the City Administrative Officer, James Turner, advised the Council to consider passing a resolution of intent concerning Police and Fire Dept. parity pay, and to consider enacting a similar resolution involving the general non-uniformed employees of the City. The City Attorney was authorized to prepare the resolutions in final form for the Council's consideration at the next regular meeting.

Two communications concerning the Al Shore variance permit for 1324 Solano Ave. were referred to the public hearing on the subject, to be held April 17.

Church Thief Apprehended

A young man who came into the Berkeley Friends Church last Sunday, looking for the minister, ended up taking the day's collection and leading a church member and the Albany Police on a chase through back yards and over fences before he was captured.

Joseph Russel Sweet, a transient who also uses the name Jim Edwins, told Mr. and Mrs. J. Arnold Owen he wanted to see the minister about joining the church, when he encountered them in the church vestibule as they were preparing to take the day's collection to the minister's home on Curtis Street in Albany.

When he saw the bank bag in Mrs. Owens' hands he asked if it was the collection, and was it too late for him to make a donation. Mrs. Owen indicated she would accept his donation, and put the 25 cents he gave her into the bag. Mr. Owen then told the man, who identified himself as Jim Edwins, that they were going to deliver the money to the pastor's home and that he could ride with them to meet him.

Upon arriving at the Curtis Street address Edwins got out of the back of the car where he was riding, reached into the front seat and grabbed the money bag from Mrs. Owen's lap and ran south on Curtis.

At that moment, Cathy Berndt spotted the thief running past her home, with Mr. Owen in pursuit. She immediately called the police station and Albany police converged on the area and soon had the culprit in custody.

After his capture, Joseph Sweet admitted he was responsible for this robbery, as well as others in the Berkeley area. The 27-year-old man also admitted he had never held a real job in his life, but maintained himself by means of thefts and acting as a narcotics connection.

Orphanage Head Have You Heard? Visits Albany

Dr. Emanuele Santi, Director of the Casa Materna Home for children near Naples, Italy, will be the speaker at Albany United Methodist Church on Tuesday, March 21, at 7:30 p.m. Prior to Dr. Santi's address there will be church potluck supper. Following supper Dr. Santi will also play his Stradivarius violin and show color slides of the work at Casa Materna.

Casa Materna began in 1905 when the Rev. Ricardo Santi brought two orphaned children home to his tiny apartment. This was the beginning of a steady stream of needy children through the care of Dr. Santi's parents. In 1920 a country estate was purchased for them by the Methodist Church in America, becoming the new Casa Materna.

Dr. Emanuele Santi was only a child himself when these first orphans were brought home. Later he was a violin prodigy. He came to the United States to study and including music he also earned doctoral degrees in psychology and religion. When his mother passed away he returned to Italy to take over and continue the work of Casa Materna.

Two years ago Dr. Santi spoke to a good audience in Albany. We invite everyone to share this experience with us.

New Art Gallery

Rainbow Art Gallery opened recently in Albany Square, 600 San Pablo Ave., after several months delay due to the dock strike.

It features oil paintings of well known Philippine artists, many of whose paintings are purchased by tourists to the Islands from all parts of the world. Both paintings and portraits may be selected painted to order from photographs. It is owned and managed by El Cerrito High School graduates, Doug and Gene Grjalva, and visitors are invited to come and browse.

Important Information In This Week's Mail

Albany residents are urged to be on the lookout for a yellow and black tabloid publication which will come to their home, or place of business by mail sometime this week.

Residents are asked not to discard the tabloid as advertising material or other unwanted bulk mail, before reading it. It could save lives in time of emergency.

The publication, entitled "Community Emergency Plan," was prepared by the California Office of Emergency Services in cooperation with the federal Office of Civil Defense, and outlines procedures to be used during earthquakes, floods, and fires, as well as nuclear attack, and includes information that can save both lives and property in time of such disasters.

There is also one page devoted to air pollution—an increasingly acute problem in the Bay Area.

To be of value, however, this publication must be read and then filed in a safe place, where it can be easily obtained for reference when and if an emergency should arise.

Early West Display At Albany City Hall

Sage U.S.A., a depiction of an early American town, any town in the U.S.A. in the early West, is currently on display at the Albany City Hall, 1000 San Pablo Ave., through March 27.

The creator, Mr. George Edlefson, relied on his memory to recreate out of cedar, plywood and balsa wood, places he has visited, worked and lived in his youth in the city and state of Jackson, Wyoming.

In addition, Mr. Edlefson contrasts early America with some homes of the modern day era.

Anita Tronoff, City Treasurer candidate, invites interested citizens to call her at 526-4522, for further information regarding her qualifications, such as her extensive licensing experience in private industry, as well as her executive secretarial and office management experience.

Mrs. Tronoff states that there will be no "coffee hours," as she will be financing her campaign personally. However, she wishes to thank all those who have expressed the desire to make a contribution. Mrs. Tronoff believes that when one seeks election to a "well-paid" position that person should finance his or her own campaign.

Alameda County Supervisor, Joseph P. Bort, has filed nomination papers for a new four-year term on the Board of Supervisors, in the June 6 election.

The former Berkeley city councilman was first elected to the 4th District seat in 1968. His district covers Albany, Berkeley, Piedmont, a large segment of the Oakland hill area and all of Castro Valley.

A practicing Bay Area attorney for many years, Bort serves on the State Bar Association's insurance committee, and the Alameda County Bar Association's drug abuse and criminal justice committee.

Frank V. Cortese, Albany pharmacist and John Birch Society leader, has declared his candidacy for Congress in the Seventh District, and will run as an American Independent Party candidate.
